Compatible RTIs

OPAL-RT's SLSC cards are Level 1 compliant with SLSC specification 1.2. Therefore, **standard RTIs can be used**.

Standard RTIs tested with OPAL-RT cards:

- RTI-12301
- RTI-12304
- RTI-12305
- RTI-12307

Other RTI standards exist and may work as expected. During EMC certification of OPAL-RT cards, only RTI-12307 was used.
